

LNG JOBS AND CONTRACTS FOR B.C.

A SPECIAL SERIES ON LIQUEFIED NATURAL GAS

Qualified British Columbians and local businesses are first in line to help build and operate LNG facilities.

B.C. WORKERS FIRST

companies are committed to employing locally whenever possible

SKILLS TRAINING

support for province-wide training programs to meet LNG skills requirements

FIRST NATIONS

strong focus on jobs and contract opportunities for Aboriginal communities

LOCAL BENEFITS

northern B.C. and Squamish already seeing significant LNG investment and jobs

Hundreds of British Columbians and dozens of local businesses throughout B.C. are already benefiting from the job opportunities and contracts flowing from the early work on LNG facilities and pipelines in the province. Investments to date total tens of millions of dollars and have created jobs and economic spinoffs across northern B.C. Thousands more jobs and hundreds of local contractors and suppliers will be needed to build and operate the projects if they proceed further.

The BC LNG Alliance is the voice of British Columbia's new LNG export industry. Our mission is to foster the growth of a safe, environmentally responsible and globally competitive LNG industry in British Columbia and Canada.
